

# Think tank n°5 ATIBT 7 and 8 of december 2022

In person and by videoconference

## Day of 7 December 2022

**Bringing value back to forests: Carbon finance and biodiversity.**

**With the support of the TERE A and ETICWOOD**

The aim of this day is to encourage interactions between foresters and investors in order to identify opportunities, to develop project ideas, to reflect on a broader issue than just carbon, and to create exchanges between all the players in the sector on the issue of ecosystem services.

16h50-17h	<b><u>Conclusions and final thoughts</u></b>			<b><u>Claude Garcia</u></b>

## Think tank ATIBT – Morning of 8 December 2022

### Improving the image of certified tropical timber in Europe

Evolution of the Fair&Precious collective and ongoing actions to promote certified timber.

**With the support of the ATIBT marketing and communication team and STRATEMARK**

**Objective of the morning:** to reflect, in particular with importers, on the new market opportunities and to think about the future of Fair&Precious; to discuss the problem of the image of tropical woods, to exchange on the obstacles encountered and on the actions in progress for the promotion of certified tropical woods.

# Think tank ATIBT – Afternoon of 8 December 2022

Exploring the new markets for tropical wood: new regulations, new balances, new opportunities.

With the support of Sarah Laroussi, CNDB

**Objective of the day:** To explore the market opportunities for tropical woods, and to reflect on the strategic orientations and new trends that could accompany the emergence of tropical woods in places where they are not yet expected.
